

KRRS Property Policy

Easement

The property on Kawkawa Lake Road that is owned by the Society, will be maintained by the members. The Access Committee will be in charge of identifying regular maintenance required on the property and will coordinate the members to have the work done. Any estimate or quotes for the maintenance will be done by the Access Committee or delegated to a KRRS member.

Insurance

Reasonable and adequate coverage will be maintained to protect the Society's interests. The insurance policies shall be reviewed annually by the Board.

Dock

The Access Committee will be in charge of identifying regular maintenance required on the dock. For any work required that is not regular maintenance that can be done by member(s) of KRRS, an estimate or quotes will be obtained by the Access committee or delegated to a KRRS member.
